How to Paint a Butterfly in Mixed Media – Step-by-Step Video Tutorial

This week we're going to learn how to work with pastels and raised media, using acrylic paint.

Materials you will need:

Paper
Pastels or Crayons
Butterfly templet
Glue
Pen or Texta

So let's get started...

Step by Step:

Step 1: Place the Butterfly templet on the page and start applying the pastels around the outside of the templet, repeat going out with multiple colours.

Step 2: Repeat step 1 with a second Butterfly above the first.

Step 3: Add in detail to Butterflies and colour in.

Step 4: Glue in templet Butterfly and write a message if desired.

The finished painting, I really hope you enjoy the tutorial.
